### AN INTRODUCTION TO MACOMB COUNTY

The first white settlement in Macomb County was built in 1784 on the banks of the Clinton River, then known as the Huron River. A missionary group known as the Moravians pitched their tents on the south bank of the river approximately three miles west of Mt. Clemens, in the summer of that year. Known as "New Gnadenhutzen", the mission had the distinction of being the first settlement in the State of Michigan. Four years later the Moravians were forced to leave the area by the Chippewa Indians.

In 1796, a settlement was established again on the Clinton River by a man named Christian Clemens. This settlement, later named Mount Clemens, was located a few miles downstream from the one previously established by the Moravians. The area of Macomb County was then part of Wayne County which included almost the entire State of Michigan and portions of Ohio, Indiana, Illinois and Wisconsin.

In 1818, Macomb County (named after General Alexander Macomb) was formally organized as the third County in the State of Michigan, after Wayne and Monroe Counties. At that time, it covered a much larger area than it does today, extending north through much of the thumb area, east to Lake Huron, and west to the middle of the State. The southern boundary, Eight Mile Road, served as the baseline of the State. In 1819 and 1820, large portions of the County were removed to form the Counties of Oakland, Lapeer, Genesee, and St. Clair. Two years later, the current boundaries were reached when small portions of land were added back to the County.

Urbanization in Macomb County paralleled that of most of other areas in the eastern United States during the nineteenth century. Mainly devoted to agriculture, the

County contained a number of villages where population was concentrated. By 1920, two significant developments occurred that would shape the future of Macomb. The first was the establishment of Selfridge Field near Mount Clemens in 1917, which was to spur growth of that area. The other development, much more significant, was the beginning of the urbanization movement northward from the City of Detroit.

Macomb County is located within the northern segment of one of the largest metropolitan areas in the nation. As such, it enjoys the benefits of the larger urban center, Detroit, while still possessing suburban and rural characteristics.

The County Seat, Mount Clemens, is approximately twenty miles north of the City of Detroit, 80 miles north of Toledo and 285 miles northeast of Chicago. Excellent highway routes to Canada and all parts of the United States accentuate Macomb County's favorable location. The dynamics of the Detroit Metropolitan Area are reflected in the substantial residential, commercial and industrial development of the County.

The locational advantages of the County are among its best assets. These include:

- A good system of interstate, State and County highways, with more to be constructed;
- Close proximity to important business and industrial centers in the State;
- One of the largest multi-campus Community Colleges in the country;
- Large recreation facilities located within the County;
- Open land for the development of residential, commercial, industrial and recreational uses;
- Access to the commercial and recreational advantages of the Great Lakes.

These factors continue to play a large part in the growth of Macomb County. Currently, the population of Macomb County is approximately 686,000 persons.

Only 482 square miles in area, Macomb County is the ninth smallest of Michigan's 83 counties, yet it has a popu-

lation which ranks third in the State and is larger than that of seven states and the District of Columbia.

Macomb Community College is the only institution of higher education in the County. Our Community College is a comprehensive multi-campus, public institution created by the people of Macomb County more than 30 years ago. From humble beginnings in rented classrooms, the college has grown to four campus sites and a current enrollment of more than 31,000 students.

Macomb County is known as "The Boating Capital of the World" since there are over 40,000 pleasure crafts registered in the County, most of which are berthed at the 91 marinas and at homes located on the many miles of canals and shoreline.

There are three privately licensed airports in the County. Selfridge Air National Guard Base in Harrison Township is the home of elements of the active Air Force, Air Force Reserve, Air National Guard, Army, Navy, Marine Corps and Coast Guard. Selfridge takes pride in being the only base to have permanently assigned flying units from all five of the uniformed services.

Each of the automotive "Big Three" has extensive operations in Macomb County, the largest being the General Motors Technical Center, located in Warren. The Tech Center is where many General Motors products are developed and it's often called "the magic square mile." The site covers more than 1,000 acres and the entire research complex was designed by Eero Saarinen.

Chrysler Corporation has eight operations in the County, including the new Sterling Heights Assembly Plant which began operation in late 1984.

Romeo is the home of Ford Motor Company's Michigan Proving Grounds and Tractor and Equipment Plant, two of eight Ford operations located in Macomb County. Ford's newly expanded Vinyl Plant and Paint Plant in Mount Clemens, two automotive assembly operations in Utica and Chesterfield, the Sterling Axle Plant and the Van Dyke Transmission and Chassis Plant complete Macomb's Ford family.

Agriculture is an important industry in Macomb County. Its diversified program includes such products as roses, mushrooms, bedding plants, sod, cash crops, vegetables, nursery stock, fruit, dairy and beef. These are but a few of the total of twenty-one different agricultural enterprises flourishing in Macomb County.

# GENERAL INFORMATION

## COUNTY OFFICERS

The Michigan Constitution provides that the voters of each county must elect a Prosecuting Attorney, Sheriff, County Clerk, Register of Deeds, County Treasurer and Drain Commissioner or Public Works Commissioner every four years.

## CLERK AND REGISTER OF DEEDS

Macomb County has combined the Clerk and Register of Deeds offices and Edna Miller holds that office.

Over 1,110 different services are performed by the office of the County Clerk, most of them statutory.

The County Clerk is clerk of the Circuit Court and clerk of the following Boards: Board of Commissioners, Board of Election Commissioners, Tax Allocation Board, Board of County Canvassers, County Plat Board, Civil Service Commission — Macomb County Sheriff Department, Election Scheduling Committee and Concealed Weapons Licensing Board.

Other functions of the Clerk are primarily record keeping in nature. The Vital Records Section has records of county births and deaths from 1867, marriage licenses issued from 1819. Certificates of assumed names and co-partnerships, records of discharges of military personnel and records of those persons authorized to practice certain professions are some of the various records the Clerk is required by law to keep. The Clerk issues marriage licenses, notary public commissions, concealed weapon permits and processes passport applications.

All Circuit Court cases, both civil and criminal, are started in the Clerk's office and records of these cases, dating from 1848 are kept there.

The Clerk's Election Department conducts state and county elections. The canvass of votes in state, county school

and some city and township elections is under the jurisdiction of the County Clerk who is responsible to the Michigan Secretary of State for certified results of elections.

The Register of Deeds records all deeds and mortgages which have to do with properties located within the boundaries of Macomb County. All subdivision plats within the county are also on record in the Register's office. Financing statements on automobiles and other personal property are filed, as are attachments, lis pendens, federal tax liens, Michigan tax liens, mechanics liens and Sheriff's deeds.

## PROSECUTING ATTORNEY

The Prosecuting Attorney, Carl J. Marlinga, is the chief law enforcement officer in the County. The office is established by the Michigan Constitution and the duties and qualifications of the Prosecuting Attorney are set by statute.

The Prosecuting Attorney is a sworn impartial arbiter, charged with the conduct of criminal prosecution of the violations of state criminal laws in the interest of the people. As a minister of justice, he is also charged with defending those unjustly accused.

He represents the County in all Courts of the County and before the Supreme Court and Court of Appeals in criminal matters in which the state or county is interested.

In Macomb County, the Prosecuting Attorney's office is on the Sixth Floor of the Court Building. It is staffed with 38 attorneys — Prosecuting Attorney Marlinga and his 37 appointed Assistants. They service the District Courts, Municipal Courts, the three divisions of Probate Court and eight Circuit Courts.

## PUBLIC WORKS COMMISSIONER

The basic job of Macomb County Public Works Commissioner Thomas S. Welsh is to build a more livable land.

It's an assignment that thrusts his office into the forefront of a wide range of public works activities . . . activities such as flood control, pollution control,

water management, sewage treatment, solid waste disposal, subdivision plat review, soil erosion control, parks and recreation, and construction of storm drains, water lines and sanitary sewers.

His involvement in these programs is extensive and includes responsibility for initial planning, final design, sale of bonds, securing federal/state grants, construction, inspection, maintenance, repair, administration and debt retirement.

Facilities owned or operated by the office include three sewage treatment works, 42 waste water pump stations, 20 storm water retention basins/pump stations, 668 miles of storm drains, 174 miles of sanitary sewers and 43 miles of water lines.

The Public Works Commissioner is chairman of the Intra-County Drainage Boards, secretary/member of the Inter-County Drainage Boards, agent for the Macomb Sanitary District and a statutory member of the Parks and Recreation Commission and Technical Review Committee of the County Solid Waste Planning Committee.

### **SHERIFF**

Sheriff William H. Hackel's jurisdiction encompasses the entire County. As a law enforcement agent, it is his sworn duty to enforce all laws and to protect the lives, property and welfare of the people.

So that he may fulfill these obligations, he maintains a Sheriff's Patrol, a Marine Patrol, SCUBA divers, polygraph facilities, identification bureau and many other services.

In addition, it is his responsibility to confine and secure all prisoners in the County jail, providing them with proper food and health facilities.

Not only does the Sheriff have criminal jurisdiction, his responsibility also deals in civil process.

The Sheriff is one of three members of the Concealed Weapons Licensing Board.

### **TREASURER**

The County Treasurer, Adam E. Nowakowski, is custodian of all monies and securities of Macomb County. He is treasurer of the County Employees' Retirement System and, by virtue of his office, is a member of the County Election Commission, County Plat Board and County Tax Allocation Board. He is administrative agent and coordinator of all automated tax roll services. A primary and mandatory duty of his office is settlement of local units for current tax collections and collection of all delinquent real taxes. He is the Administrative Agent of the Delinquent Tax Revolving Fund. The office is responsible for the accounting of all revenue, investments, securities, and monies in financial institutions; sale and distribution of dog licenses to local units of government; collection of inheritance tax for the State of Michigan; certification of deeds and plat maps and other documents pertaining to tax histories and litigations; also conducts the annual Tax Sale on behalf of the State Treasury. The functions of this office are dictated by state statutes, along with guidance of the Bureau of Local Government Services Audit Division, State Treasury Department.

### **BOARD OF CANVASSERS**

Each county must have such a board to canvass all state, county, school and some city, township and village elections. After the primary and general elections, the board reviews, analyzes and scrutinizes results to determine who has been nominated in primary elections and which candidates are elected in general elections. After the general elections, the board delivers certificates of election to the County Clerk. The board is also empowered to conduct recounts in certain elections.

### **COMMUNITY MENTAL HEALTH SERVICES**

The Community Mental Health Services Board is responsible for providing mental health, substance abuse,

and developmental disabilities services in the county through both directly operated and contract agencies. The program is supported by state and county funds as well as individual fees and insurance reimbursement.

There are a number of service programs funded by the agency, including a 24-hour telephone crisis center; a 24-hour psychiatric emergency service; mental health outpatient centers for children and families; mental health outpatient centers for adults; substance abuse treatment and prevention programs; rehabilitation workshops/day programs for developmentally disabled persons; limited residential services; counseling and diagnostic services; client services management functions; a rape crisis program; vocational services; and mental health and substance abuse programs for persons in the county jail.

#### **COMMUNITY SERVICES AGENCY**

Using County funds in conjunction with Federal funding, this Agency operates several human service programs including — General Community Programming, Senior Citizen Nutrition, Senior Citizen Chore Service, Head Start, Emergency Food, Commodity Foods, Food Stamp Distribution, Weatherization, and Emergency Heating Assistance. Programs are initiated and overseen by the Macomb County Committee on Community Economic Opportunity and the Macomb County Board of Commissioners.

#### **CONCEALED WEAPONS LICENSING BOARD**

Michigan law states that the Prosecuting Attorney, the Sheriff and the Commissioner of the Michigan State Police, or their respective authorized deputies, shall constitute boards exclusively authorized to issue licenses for carrying concealed weapons to applicants residing within the county. The County Clerk is the clerk of the board and issues such licenses as approved by a majority of the board.

#### **COOPERATIVE EXTENSION SERVICE**

The Cooperative Extension Service is one component of Michigan State University's Education Program, as established in 1914 under the authority of Federal Smith Lever Act (38th Statute, Law 372) and Michigan Public Act 65, Laws of 1915, and subsequent amendments. ## EMERGENCY MEDICAL SERVICES SYSTEM (EMS)

The EMS system functions under the authority of the Public Health Code, which establishes that each County in the State of Michigan shall be designated as a region of medical control for emergency medical services within their jurisdiction.

The Macomb County Medical Control Board (known as the EMS Executive Council) is appointed by the Chairman of the Board of Commissioners with confirmation by the board and functions under the direction of a Project Medical Director (PMD), who is also appointed by the Chairman of the Board. This Executive Council is mandated by the Code to assure that all advanced mobile emergency care services (ALS) and basic mobile emergency care services (BLS), both public and private, conform with the rules and regulations promulgated by the Michigan Department of Public Health.

Dominating the emblem of Macomb County is the County outline flanked by a sailboat and three gears which represent recreation and industry, two of the county's greatest assets. The banner traversing the County's outline contains three triskelions, an age-old symbol, representing progress. The date, 1818, is the year Macomb County was established. Circumscribing the emblem are the words Macomb County and Michigan, separated by five-pointed stars — symbols of quality.
