Dear Macomb County Residents,

This informational directory is being offered as a tool of better communication with your government.

It contains addresses and phone numbers where elected officials holding city, county, state, and national offices can be reached, as well as self-explanatory maps of political districts, parks, and public service centers.

This directory is printed by the County of Macomb and compiled by the County Clerk's Office staff with the cooperation of many officials.

Copies of the directory are free and can be obtained from my office, which is located on the first floor of the Macomb County Court Building, 40 North Main Street, Mt. Clemens, MI 48043.

For further information or assistance please feel free to call our office at (810) 469-5120.

Sincerely,

Carmella Sabaugh
Macomb County Clerk and Register of Deeds

Macomb County

A Brief History

General Alexander Macomb, a highly decorated veteran of the war of 1812 and a respected General of the U.S. Army, left a legacy of strength with which to name Macomb County.

Though today's land boundaries were not set until the mid-1820's, Macomb County's first settlement was founded in 1871, by a religious sect of people called the Moravians, along the shore of the Huron River. Predominately wilderness, the county's most lucrative industry was lumber.

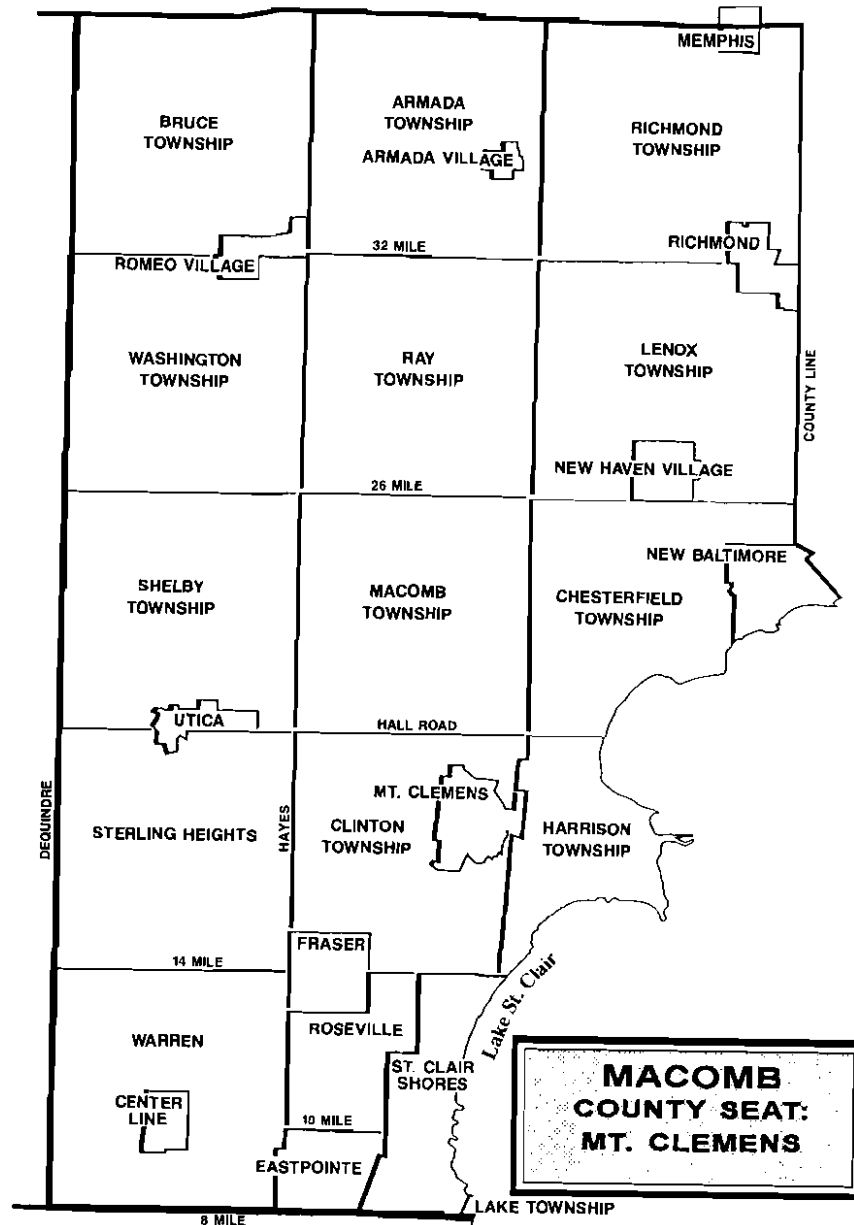

A failed attempt at education was made in 1818 when only three students enrolled in the first school, located in the courthouse of downtown Mount Clemens. In 1920, education was reintroduced but it would be 15 years before a structure was built for educational purposes.

In the 1870's, mineral baths and lush hotels brought international fame to Mount Clemens for its spa vacations, due to the discovery of a stream which still runs beneath the city. Though many believed that the water had healing powers, the interest in the spas died out in the early 20th century.

Between 1920 and 1930, Macomb County doubled in population. Southern Macomb County was industrialized primarily due to automobile manufacturing which escalated greatly at the end of World War II. A lucrative car industry, combined with federal programs such as the Federal Housing Act and the Veterans Administration Housing Act encouraged housing, and population grew by 70 percent from 1940 to 1950. As a result of this growth, public facilities were enlarged, schools were built and streets were paved.

While agriculture still dominates land usage of the 300,000, plus, acres of Macomb County, residential development is rapidly growing and present land usage of Macomb County is as follows:

Vacant	92,260 acres	29.9%
Agricultural	76,490 acres	24.8%
Residential	66,450 acres	21.5%
Public/Semi-Public	40,030 acres	13.0%
Industrial	15,200 acres	4.9%
Recreational	10,760 acres	3.5%
Commercial	7,310 acres	2.4%

Dominating the emblem of Macomb County is the County outline flanked by a sailboat and three gears which represent recreation and industry, two of the county's greatest assets. The banner traversing the symbol, representing progress. The date, 1818, is the year Macomb County was established. Circumscribing the emblem are the words Macomb County and Michigan, separated by five-pointed stars - symbols of quality.

LAND FILE DEPARTMENT

The Land File Department manages approximately 270,000 individual real estate parcels, including such information as legal descriptions, taxpayer name and address, current tax and assessment information, delinquent tax information, etc.

A drafting section is in charge of updating and maintaining the accuracy of all property line drawings by plotting new subdivisions, acreage divisions and the consolidation of all lots and acreage as requested by local units, thus giving an accurate pictorial view of all tax parcels in Macomb County.

MACOMB COUNTY LIBRARY

The Macomb County Library is an information and reference center for all of Macomb County. The Library specializes in adult collections including public policy, career information, business materials, health and medicine, government documents, educational videocassettes, out-of-town telephone books, law, and other reference and research materials.

The Macomb County Library augments and supports local libraries in the County not only with its in-depth collections but also through various centralized services such as interlibrary loan and daily delivery, printing, ordering, cataloging and processing of library books.

A small children's section provides services for children from townships without locally supported libraries.

Headquarters for the Macomb Library for the Blind and Physically Handicapped, the Macomb Reading Partners, and the Library Cooperative of Macomb are located in the Macomb County Library.

MACOMB/ST. CLAIR PRIVATE INDUSTRY COUNCIL, INC.

Macomb County receives federal funds under the Job Training Partnership Act to operate an employment and training program which leads to unsubsidized employment for unskilled adults and youth.

To qualified residents of Macomb/St. Clair County, all services are free. A variety of activities include Classroom and On-the-Job Training, as well as special programs for in-school youth and summer jobs for young people 14 - 21 years of age. The Macomb/St. Clair Private Industry Council also administers special retraining programs targeted at dislocated workers and individuals who are 55 years of age or older and interested in job placement.

The Council also provides incentives to business to hire JPTA participants by providing wage reimbursement of up to 50% during the training period.

PUBLIC WORKS

Protecting the County's environment is the function of the Public Works Commission Office headed by Anthony V. Marrocco, Public Works Commissioner.

This office's primary function is directing the construction and maintenance of storm water drains, sanitary sewers and water supply systems, as well as soil erosion control, review of subdivision plats, operation of county flood control, and antipollution facilities.

Improving the quality of the water in the Clinton River is another function of the Public Works Office. A sewage system serving 12 communities has been constructed to help attain this goal.

Two large retention basins have also been constructed for the purpose of storing excess water flow during heavy storms. This will reduce sewage backups and keep untreated sewage out of Lake St. Clair.

MAJOR PARKS IN MACOMB COUNTY

Macomb County is often noted for its recreational opportunities, particularly its access to both inland lake facilities and Lake St. Clair. There are four major public parks in the County where persons can enjoy a vast array of year-round, recreational activities. These four parks complement the many municipal parks located in each of the twenty-seven communities in Macomb County. County residents are never far from leisure facilities.

The major parks in Macomb County include:

Freedom Hill County Park

Located in the city of Sterling Heights on Metropolitan Parkway, this 100 acre park is easily accessible from all parts of the County. Opened in 1974, the Freedom Hill County Park has evolved into a special events park known for its festivals and shows. Major facilities at the park include the multi-use Independence Building, festival grounds with shelters, open-air amphitheater, tot lot, and games area. The park is used by families and groups for picnicking and related activities. The air-conditioned Independence Building, complete with caterer, can be rented for business meetings and social gatherings.

Metrobeach Metropark

At 770 acres, Metro Beach offers one and one-quarter miles of Lake St. Clair frontage. The park is designed for use by a variety of age groups. Facilities include a large lake beach area, swimming pool with water slide, tot lot and play areas, picnic areas and shelters, three marinas, a nature interpretive area, a paved hike/bike trail, boat launch, an 18-hole par 3 golf course, and an 18-hole adventure golf course. An open-air pavilion offers day and evening concerts during the summer months. In the winter, park users can enjoy ice fishing, ice skating, and cross-country skiing, weather permitting.

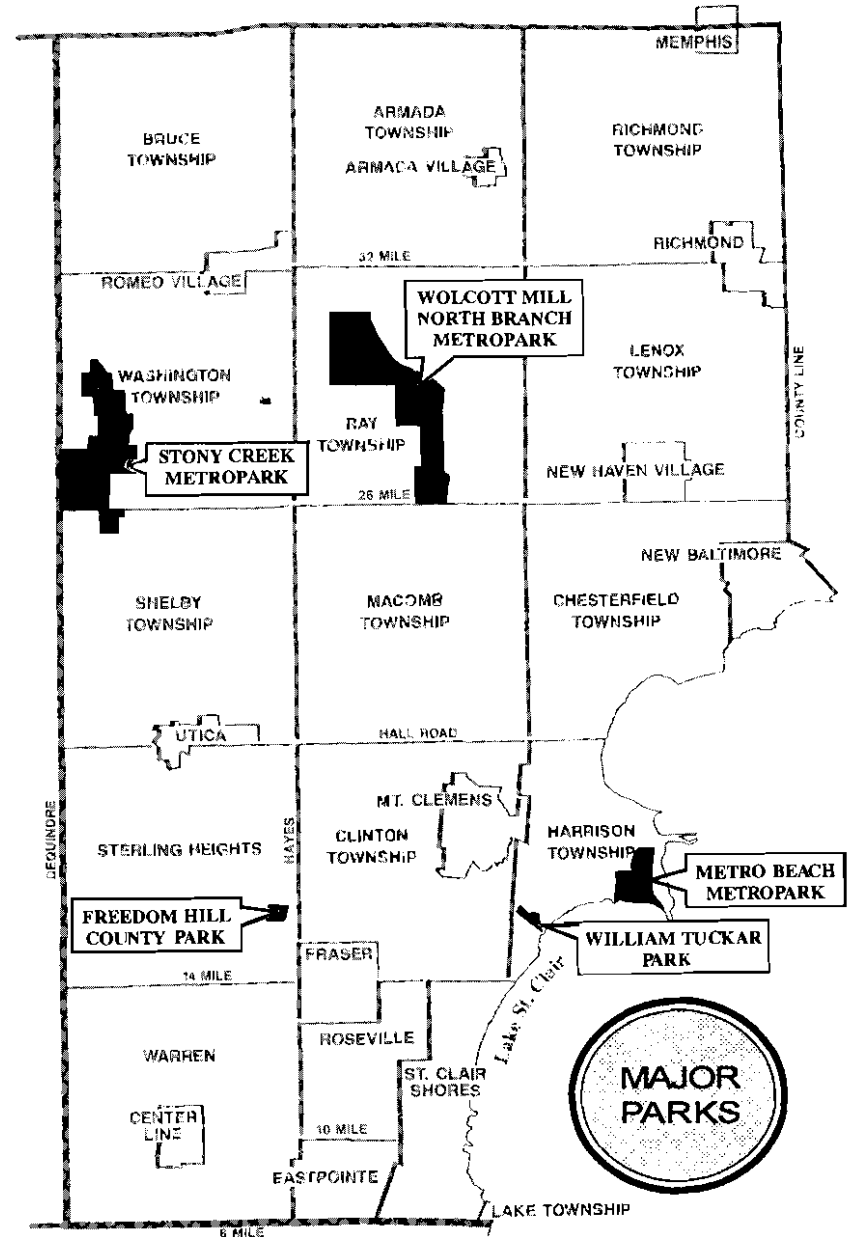

Stony Creek Metropark

Built around the 500 acre Stony Creek Lake in the rolling terrain of northwestern Macomb County, this metropark utilizes its 4,461 acres for a variety of recreational activities. Nine large picnic areas accommodate summer visitors. Ten miles of paved roads and over six miles of hike/bike trails provide scenic tours. Other amenities include an 18-hole championship golf course, a nature interpretive area, two swimming beaches, play areas, boat launch, and boat rentals. Winter visitors can enjoy cross-country skiing on groomed trails, sledding, and ice skating.

Wolcott Mill Metropark

Beginning April 1, 1995, Wolcott Mill Metropark will be open year-round. This metropark highlights a historic grist mill on the North Branch of the Clinton River in Ray Township. Situated in a pristine, natural setting, the park offers educational group tours of the mill, and a variety of history programs for families and individuals. A short nature trail is also located near the mill. Currently under development is the Farm Learning Center. Covering over 200 acres about one and one-half miles north of the mill, the farm will demonstrate modern farming practices to the general public and to active farmers. The farm will house a small dairy herd and other farm animals, and it will exhibit sample plots of many different agricultural crops such as corn and soybeans.
