Millage Renewal Proposal for Local Street and Road Repair and Replacement

Shall the City of Warren continue to be authorized in section 9.1 of the City Charter to levy up to 2.0349 (\$2.0349 per \$1,000) on taxable value of property located in the City of Warren each year for five (5) years beginning with the December 2021 tax levy, and continuing through the July 2025 levy, inclusive? The millage will raise in the first year of such levy estimated revenues of \$7,435,619, for the purpose of repairing or replacing local streets and roads, including public access or parking areas? If approved, this would renew a previously authorized millage.
