

**Rochester Community School District
Operating Millage Proposal**

This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance and restores millage lost as a result of the reduction required by the Michigan Constitution of 1963.

Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Rochester Community School District, Oakland and Macomb Counties, Michigan, be renewed by 18.5004 mills (\$18.5004 on each \$1,000 of taxable valuation) for a period of 5 years, 2025 to 2029, inclusive, and also be increased by .5000 mill (\$0.5000 on each \$1,000 of taxable valuation) for a period of 5 years, 2025 to 2029, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2025 is approximately \$24,568,063 (this is a renewal of millage that will expire with the 2024 levy and a restoration of millage lost as a result of the reduction required by the “Headlee” amendment to the Michigan Constitution of 1963)?
