MEMORANDUM

TO: Mark A. Hackel, Macomb County Executive

FROM: Stephen N. Cassin, AICP, Executive Director 

RE: Suggested Response to Education Committee Questions
CDBG-R Proposal for Turning Point

The Economic Development Committee posed two questions to the Planning & Economic Department at its April 21 meeting. This memo answers those questions:

1. The Committee asked if a fund-raising plan had been developed and reviewed by MCPED, and whether that plan provided sufficient detail to assure reasonable chances of success. The answer is yes:

Several contributors expressed interest in making substantial investments. One contributor will be unable, due to internal procedures, to render a decision until year's end, but we should be able to determine the adequacy of progress by September 30, 2011 and make alternate arrangements if necessary.

2. The Committee asked if unemployed workers from the neighborhood could obtain employment and whether County living wage requirements would be enforced. The answer is, again, yes:

This objective would be accomplished by obtaining a list of unemployed area residents from Michigan Works and providing that list to those firms selected, through competition, to do the work. The contractors would use that list to hire workers if and when the need arose.

Living wage requirements would be satisfied through adherence to Federal labor law, which requires that workers be paid prevailing wages established by the U.S. Department of Labor for Macomb County. These generally reflect union wage scales.

SUBJECT: Purchase of Prior Government Service Time

The Macomb County Board of Commissioners has adopted new policies regarding the purchase of prior government service. Based on your County service to date of 25 years, your purchase of other government time is limited to the lower of your time worked with the other governmental unit or 60 months. The cost of 10 months with Wayne County is \$4,478 until December 31, 2011.

The letter **does not** constitute approval to purchase this time; it is only for your information as to cost.

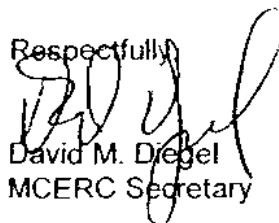

Should you wish to proceed with this purchase, you must apply to and receive permission from the Macomb County Board of Commissioners. The Board of Commissioners will determine your eligibility by an affirmative vote of not less than three-fifths of its members.

You are also advised that in the event your bargaining unit has the Annuity Withdrawal privilege on retirement, the purchase amount of the above time will not qualify. Annuity Withdrawal is available only for those sums contributed pursuant to the Macomb County Employees Retirement System retirement deductions.

After the Macomb County Board of Commissioners acts on your request and prior to your purchase of the requested credit, you will be required to provide written proof that you have received a refund of your contributions and forfeited all pension rights (including your rights under the Reciprocal Retirement Act) with the State of Michigan.

If you wish to request permission to purchase the above noted other government time, please address a letter to the undersigned.

Respectfully,

David M. Diegel
MCERC Secretary
