Re: Ethics Board Rules of Procedure  
Second Revision, September 20, 2012

Dear Chair Vosburg:

Article II, Section 2.S.1 Home Rule Charter of Macomb County, Michigan specifies that the initial five Ethics Board Members shall propose rules of procedure for the enforcement of ethics provisions cited in the Charter, Enrolled Ordinance No. 2011-10, and law. Such proposed Rules of Procedure for the Ethics Board were initially submitted to the Board of Commissioners, in accordance with the Charter, on July 20, 2012.

Fellow Ethics Board Member, Anthony J. Bellanca, Esq., and myself attended the regular meeting of the Board of Commissioners on September 13, 2012, when more suggestions were made to modify the proposed Rules of Procedure. You kindly provided a listing of those suggestions that were discussed and acted upon, with advice of Corporation Counsel, by the Ethics Board at its meeting on September 20, 2012.

It is sincerely hoped that the enclosed Rules of Procedure will earn approval by the Board of Commissioners so the Ethics Board can do its work. Thank you in advance for your assistance and cooperation. Should there be any question or concern, please do not hesitate to contact me at your earliest convenience.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Donald J. Amboyer', is written over a faint, larger version of the same signature.

The request shall be in writing on an approved Board form (**Attachment A**), but need not be notarized.
- B. Upon receiving the request for an advisory opinion, the Board may ask any person for additional information regarding the request for investigative purposes. The Board shall notify the public servant who is named in the request.

  - 1. The Board lacks jurisdiction over the person subject to the advisory opinion.

  5. Contain the signature of the complainant before a notary public.
- B. The identity of the complainant shall be kept confidential except as required by law or Ordinance. The complaint shall be assigned an identifying number by the Board. All references to the complaint shall be by the identifying number.
  - C. A public servant will be notified forthwith of the complaint and shall not take retaliatory action of any type against the complainant or a witness, as such retaliatory action is itself a violation of the ordinance.
  - D. The chairperson of the Board may administratively dismiss a complaint if (i) one or more complaints regarding the same matter are pending; or (ii) the Board previously addressed the subject matter; or (iii) the chairperson determines that the evidence given is clearly insufficient to support the complaint.
  - E. If the complaint is not administratively dismissed, a copy of the complaint shall be promptly served on the respondent and the identity of the complainant shall be provided to the respondent.
  - F. The respondent may file an answer within twenty-one (21) **calendar** days after service of the complaint. The answer shall comply with all of the following:
    1. Be in writing.
    2. Include a response to each allegation raised in the complaint.
    3. Contain the signature of the respondent charged before a notary public.
  - G. A sub-committee of the Board shall review the complaint and answer to determine whether good cause exists to forward the submissions for consideration by the full Board.
  - H. Any additional written information a complainant or respondent wants the Board to consider must be simultaneously filed with the Board and the opposing party no later than twenty-one (21) calendar days before the date of the Board meeting scheduled to address the complaint. The opposing party must submit any written response to the Board no later than fourteen (14) calendar days before the date of the Board meeting.
  - I. Upon expiration of the time provided for written submissions, the complaint, answer, and any other written submissions shall be presented to the Board for its consideration. Upon presentation of the complaint and answer, the Board may request additional information regarding the complaint. Any information acquired by the Board is confidential unless revealed by the Board.

- J. The complainant and the respondent shall have an opportunity to address the Board at the meeting scheduled to address the complaint. Pursuant to section 8(1) of the Open Meetings Act, the Board may meet in closed session if requested by the respondent.
- K. At any time, the Board may issue a complaint decision based on any of the following reasons:
  - 1. The Board lacks jurisdiction over the person subject to the complaint.
  - 2. The Board lacks jurisdiction over the subject matter.
  - 3. The complaint is barred because of release, prior judgment, or other disposition of the claim before the complaint was filed.
  - 4. The complaint on its face fails to state a claim of unethical conduct.
- M. If no genuine issue as to any material fact exists and the Board finds no violation, then the Board may issue a complaint decision without a hearing.
- N. If the Board determines that the complaint cannot be resolved, the Board may schedule a formal hearing.

### **Sec. 2.3. Investigations Initiated by the Board of Ethics**

- A. The Board may vote to initiate an investigation upon a Board member's duly made motion. If the Board determines that there is reasonable cause to conclude that the conduct could affect the ethical behavior of a public servant and that substantial factual matters are in dispute, then the Board shall schedule a meeting on the conduct. Notices of the meeting shall be sent to parties of interest.
- B. If the Board determines that there are no reasonable grounds to conclude that the behavior could affect ethical conduct, then it shall terminate the investigation and a written notice of the termination shall be sent to all persons of whom inquiry was made within seven (7) **calendar** days. The Board may issue a report of its actions.
- C. **The Board may request Office of the Macomb County Sheriff to investigate any possible criminal act concerning the ethical conduct of a public servant. The investigation and its results shall not be disclosed except to the Board.**

#### **Sec. 2.4. Representation by Legal Counsel**

- A. The complainant and the respondent have the right to be represented by legal counsel, provided at his or her own expense and not that of Macomb County.

#### **Sec. 2.5. Hearings**

- A. The Board may hold a hearing to review the merits of a complaint, a request for an advisory opinion, or upon conclusion of an investigation.
- B. Not fewer than twenty-eight (28) calendar days before the date of the hearing, any interested party shall be notified. The notice shall state the time, place, date, case name, and questions to be heard at the hearing as determined by the Board.
- C. Pursuant to section 8(1) of the Open Meetings Act, the Board may meet in closed session if requested by the respondent.
- D. The Chairperson of the Board shall preside over the hearings, or in the Chairperson's absence, the Vice-Chairperson shall preside. A member of the Board, agent or employee of the Board shall not have direct or indirect ex-parte communication with any interested person in connection with any issue involved in a scheduled hearing.
- E. The Chairperson shall do the following:

- F. The standard of review shall be the preponderance of the evidence. The complainant shall have the burden of introducing the requisite evidence to prove the alleged unethical conduct. The person requesting an advisory opinion shall have the burden of presenting facts or issues to the Board for its consideration. The respondent has all of the following rights:
  - 1. Be present.
  - 2. Be represented by counsel.
  - 3. Testify.

4. Produce and examine witnesses.
  5. Cross-examine adverse witnesses.
  6. Introduce other evidence as may be material and relevant to the issues.
- G. At the conclusion of the hearing, the Chairperson may request additional evidence or written argument concerning the subject matter to be submitted within such time and in the form as the chairperson directs. The additional evidence or argument shall be disclosed to the complainant and respondent.
- H. The Chairperson shall issue a proposal for decision. The Board shall act upon the proposal. The Board shall publish its decisions and opinions, including dissents, and make them available for public inspection at its office, on the county website, **and notify the affected county agency**. All proceedings shall be recorded, but need not be transcribed unless requested by the Board, the complainant or respondent. The Board shall determine the amount and source of payment for the transcript.
- I. The Board may designate the record, or portion of the record, supporting or concerning any complaint, advisory opinion or investigation as a suppressed record, where public disclosure would constitute a clearly unwarranted invasion of an individual's privacy or where disclosure is prohibited by law.
- J. **All records of the Board, except for published decisions and opinions, shall be kept at the Board Office for a period of one year.**
- K. The Board shall deny public access to the original document and any legal analysis necessary to support the decision of the Board in a case where the record has been suppressed.

The County of Macomb has adopted an ordinance which approves the Special Revenue and Enterprise Fund budgets for the fiscal year ending September 30, 2013. The ordinance shall be effective upon publication of this Notice of Adoption. A copy of the ordinance can be inspected or obtained from the Office of the County Clerk during normal business hours. **\*REVISED\***

**BOARD OF COMMISSIONERS  
MACOMB COUNTY, MICHIGAN**

Motion made by Commissioner \_\_\_\_\_, supported by Commissioner \_\_\_\_\_, to approve the following "ordinance to adopt a comprehensive budget for the special revenue and enterprise funds for the Fiscal Year ending September 30, 2013" based on the following preamble:

Whereas, the County's budget(s) should include sufficient detail to reasonably inform interested persons about how public funds are being spent without being so detailed that it inhibits its administration or is likely to require too many amendments; and

Whereas, this Commission wants to ensure the public is especially informed about larger expenditures and projects; and

Whereas, the Department of Roads' budget is of special focus because, among other reasons:

- (i) With over \$94 million in expenditures, it is a large budget;
- (ii) The general public is especially interested in roads because they are encountered on a daily basis so that their size, location, features, and condition, as well as project affecting them, directly and very tangibly impact their daily lives;
- (iii) The County's road budget was previously administered by a county road commission that met semi-monthly in public meetings thereby providing regular public accountability; and
- (iv) The Department of Roads regularly acquires, uses, operates, repairs and replaces costly vehicles and equipment, and regularly engages in outlays for construction projects.

Whereas, this Commission believes the special revenue and enterprise funds for the Fiscal Year ending September 30, 2013 as proposed by the Office of the Executive are reasonable in their total amounts, but needs some additional detail to ensure appropriate public accountability.

Macomb County Board of Commissioners

Re: Macomb County Budget for Special Revenue and Enterprise Funds  
For Fiscal Years Ended September 30, 2013 and 2014

As the County Executive, the Charter requires me to prepare and administer a comprehensive balanced budget in a manner which assures coordination among agencies. Section 8.6.1 of the Charter requires that the budget be transmitted at least 90 days before the next fiscal year begins and specifies the minimum content for the budget document. Since each of the agencies contained in the attached budget have fiscal years beginning on October 1, the budgets were transmitted prior to July 1.

We continue to use the enhanced budget format created last year which has provided greater amounts of information and transparency to decision makers as well as the public. The document begins with a budget discussion and analysis highlighting the activity for each fund followed by a glossary that provides a description of budgeted fund names and line items. The budget summary and detail pages in this document present a two year forecast and a five-year trend comparison for revenues and expenditures.

My office and the Finance Department reviewed the departmental budget requests with an emphasis on determining if services can be provided in a more cost effective and efficient manner. We are pleased with the innovative approach that the Elected Officials and Department Heads continue to display.

As always, should you have any questions, please do not hesitate to contact me.

Sincerely,

Mark A. Hackel  
Macomb County Executive

AN ORDINANCE TO ADOPT A COMPREHENSIVE BUDGET FOR THE SPECIAL REVENUE AND ENTERPRISE FUNDS FOR THE FISCAL YEARS ENDING SEPTEMBER 30, 2013 AND PROJECTED BUDGET FOR SEPTEMBER 30, 2014

FINAL ORDINANCE WAITING FOR FORMAL BOARD APPROVAL.

**MACOMB COUNTY, MICHIGAN**  
**Budget Discussion and Analysis**  
**Special Revenue and Enterprise Funds**  
**with Fiscal Years Ending September 30, 2013 and 2014**

The budget presented herein is a two year budget for the fiscal years ending September 30, 2013 and September 30, 2014 for certain Special Revenue and Enterprise funds of the County. The majority of the operations of the County are accounted for on a fiscal year that ends December 31. However, the programs included herein represent operations that are funded primarily by State and Federal grants. Therefore, they are accounted for on a fiscal year ending September 30 to coincide with the fiscal year of the primary funding sources. Historically, the budgets for these programs were adopted by the Board of Commissioners in December. The new County Charter requires that the budgets for these programs be adopted prior to October 1.

The County budget continues to be negatively impacted by decreases in property values and increases in fringe benefit costs, primarily health care for employees and retirees. Property values declined 10.2% in 2010, 7.0% in 2011, 6.0% in 2012 and reductions of 2% and 0% are anticipated for 2013 and 2014, respectively. Health care costs are expected to increase 8% each year. Virtually all of the County's labor agreements expire December 31, 2013. Those agreements contain provisions for up to six unpaid furlough days per year per employee and that is assumed to continue into 2014 as well. Longevity payments suspended through December 31, 2012 are scheduled to return in 2013 at significantly reduced levels.

The gross budget for these funds for the fiscal year ending September 30, 2013 is \$364,482,785, representing a 1.0% increase over 2012. The General Fund appropriation to these funds for 2013 is \$23,843,080, a decrease of \$2,349,704 over 2012. The gross budget for the fiscal year ending September 30, 2014 is \$349,776,677, representing a 4.0% decrease over 2013. The General Fund appropriation for 2014 is \$24,435,231, an increase of \$592,151, or 2.0%, over 2013. Department heads and elected officials have reinvented how services are delivered, making Macomb County more efficient. As a result, the General Fund appropriation to the Special Revenue and Enterprise funds has been reduced significantly over the past few years, despite constant increases in fringe benefit costs, as indicated below:

Budget Discussion and Analysis  
Special Revenue and Enterprise Funds  
with Fiscal Years Ending September 30, 2013 and 2014

**INDIVIDUAL FUND DISCUSSION AND ANALYSIS**

**Adult Drug Court** – The Adult Drug Court provides intensive probation and treatment to low-risk offenders and allows participants to avoid incarceration. There are on average 35-40 participants in the program at any point in time, who otherwise would have been sentenced to jail or prison. Participants in the program have avoided more than 19,000 jail bed days and over 20,000 prison bed days since January 1, 2008. Expenditures for 2013 are \$213,000, a decrease of \$19,310 over fiscal 2012. Expenditures for 2014 are \$218,908, an increase of \$5,908 over fiscal 2013. The General Fund appropriation to the Adult Drug Court Fund for 2013 is \$183,000, a decrease of \$9,310, or 5.0% over 2012. The General Fund appropriation for 2014 is \$188,908, an increase of \$5,908 or 3.0% over 2013. The Adult Drug Court is administered by the Circuit Court and represents approximately 0.9% of the total budget of the Circuit Court.

**Child Care Fund** - The Child Care Fund is used to account for the costs associated with the detention of individuals under the age of 18 convicted of criminal offenses, treatment programs intended to rehabilitate juvenile offenders and foster care for those under the age of 18. The State of Michigan provides 50% of the funding for the Child Care Fund, net of other grants and reimbursements, and the General Fund provides the other 50%. The gross budget of \$22,421,395 for 2013 represents a 14.0% decrease from fiscal 2012 and the gross budget of \$22,997,388 for 2014 represents a 2.5% increase from 2013. The General Fund appropriation to the Child Care Fund for 2013 is \$12,511,020, a decrease of \$2,038,740, or 14.1%, over 2012. The decrease is driven primarily by the anticipation that six (6) full-time Child Care Attendant positions will be replaced with part-time attendant positions through attrition, as well as a \$600,000 decrease in costs associated with housing wards of the State. In addition, the budget for outside placements has been reduced by \$1,900,000 as a result of the continued efforts of Court staff to place more kids in treatment programs administered at the Juvenile Justice Center as opposed to housing them in private facilities.

**Community Corrections** – The Community Corrections program provides local, community-based alternatives to incarceration that promote public safety and relieve jail overcrowding while at the same time holding offenders accountable and improving their ability to live lawfully and become productive members of society. The program employs ten (10) full-time positions and approximately 78% of its funding is provided through grants from the State of Michigan. Spending levels requested for 2013 and 2014 are essentially unchanged from previous years. The General Fund appropriation requested for 2013 and 2014 is \$302,294 and \$304,881, respectively.

**Community Mental Health –** The Community Mental Health Department provides behavioral health support and services to eligible residents of the County who suffer from severe mental illness, developmental disabilities and substance abuse disorders. The activities are accounted for in two funds, the Mental Health Fund and the Substance Abuse Fund, which is presented later in this document. The Mental Health Fund represents approximately 96% of the total budget of the Mental Health Department. Approximately 98% of the funding for the Mental Health Fund is provided by Medicare, Medicaid and the State General Fund. The remaining 2.0% is contributed by the County General Fund and is budgeted at \$3,909,682 in both 2013 and 2014. Active management of the Medicaid eligibility of County residents has allowed the General Fund contribution to remain unchanged from fiscal 2012.

**Community Services –** The Community Services Agency provides a wide array of services to residents of the County, including, but not limited to, Meals on Wheels, Senior Citizens nutrition, income tax preparation for the elderly, transportation services, home injury control, household weatherization improvements and Head Start. Approximately 95% of the funding for Community Services comes from State and Federal grants. The General Fund appropriation requested for fiscal 2013 is \$887,599, unchanged from 2012. Furthermore, additional grant funding has been awarded to the Headstart and GCP programs. This increase, coupled with the loss of ARRA funds, has resulted in a net decrease of four and one half (4.5) positions for fiscal year 2013. No further budgetary reductions are anticipated in 2014. It is important to note that the County has aggressively pursued new grants and other funding alternatives in recent years that have resulted in a significant reduction in the General Fund appropriation, which was \$1,278,290 as recently as 2008.

**Friend of the Court -** The mission of the Macomb County Friend of the Court is to fairly and efficiently enforce court orders relating to child support, health care, spousal support, parenting time and custody. The budget for the Friend of the Court represents approximately 36% of the total budget of the 16<sup>th</sup> Circuit Court in Macomb County. Approximately 64% of the funding for the Friend of the Court is provided through a grant from the Federal government. The Friend of the Court will continue to hold ten (10) positions vacant for fiscal year 2013. The Court intends on keeping nine (9) positions vacant in 2014. Therefore, funding for these positions is not included in the 2013 and 2014 budgets. In addition, the Court has eliminated three (3) full time positions in 2013 due to recent productivity gains from enhanced technology. The General Fund appropriation for 2013 is \$2,810,827, a decrease of \$285,597 from 2012. The appropriation for 2014 is \$3,053,381, an increase of \$242,554 over 2013.

**Health Grants –** The health grants which operate on a September 30 year-end represent approximately 20% of the total budget of the Health Department. Funding for these programs is provided primarily through State and Federal grants. The General Fund appropriation of \$544,717 and \$549,476 for 2013 and 2014, respectively, represents approximately 13% of the budget for each year. The General Fund appropriation budgeted for 2013 is \$10,151 higher than the amount budgeted in 2012, primarily driven by increases in overhead allocation charges from the Health Fund (Dec 31 year-end), which will be offset by a corresponding reduction in the General Fund appropriation to the Health Fund in 2013 and 2014. Additional grant funding in the CSCHS Outreach program has resulted in the increase of one and one half (1.5) positions for fiscal year 2013. The loss of grant funding in the Warren Housing program, due to the elimination of support from the City of Warren, has resulted in the layoff

**Health Grants (continued)** – of two employees. Major cost savings initiatives are expected to be made in the Health Fund when the budget for the December 31 funds is prepared.

**Prosecuting Attorney Grants** – The Prosecuting Attorney grant fund is used to account for the costs associated with prosecuting cases involving child support enforcement, domestic violence, auto theft and drug-related offenses. The majority of the operations of the Prosecuting Attorney's Office are accounted for in the General Fund. The programs accounted for in the grant fund represent roughly 15% of the total budget for the Prosecutor's Office. The 2013 and 2014 budgets each provide for the continued funding of 22 positions. The General Fund appropriation to this fund for 2013 is \$808,463, a decrease of \$60,481 over 2012 due to employee concessions on fringe benefit costs, and \$837,852 for 2014, an increase of \$29,389 over 2013.

**Roads** – The Department of Roads is funded exclusively by gasoline taxes, State and Federal grants and reimbursements from local units of government. The budget for 2013 is \$94,271,207, an increase of \$5,177,509, or 5.8%, over 2012. Due to operational efficiencies made in prior years, the Department of Roads has accumulated a healthy level of fund balance over time and plans to utilize \$13.9 million over the course of the next two years on road repairs and equipment replacement. The budget for 2014 is \$71,835,396, which represents a 23.8% decrease from 2013.

**Sheriff Grants** – This fund is utilized to account for the costs associated with specialized units involved in traffic safety enforcement, auto theft and drug-related crimes. The majority of the operations of the Sheriff's Office are accounted for in the General Fund. The programs accounted for in the grant fund represent roughly 3.5% of the total budget for the Sheriff's Office. Approximately 80% of the funding for these programs is provided by State grants and charges for services. The 2013 and 2014 budgets each provide for the funding of 11 positions, a reduction of one position due to a decrease in federal funding for the COMET grant. The General Fund appropriation to this fund is \$649,920 for 2013, a decrease of \$123,158 over 2012, and \$662,621 for 2014, an increase of \$12,701 over 2013.

**Substance Abuse** - The Office of Substance Abuse is managed by the Macomb County Department of Community Mental Health and provides substance abuse treatment and education services to residents of the County in both inpatient and outpatient settings and approximately 83% of its funding is provided in the form of Medicare, Medicaid and State General Fund appropriations. The Office of Substance Abuse represents approximately 4% of the total budget of the Mental Health Department. The County General Fund is required to contribute 50% of the liquor tax distributed by the State of Michigan each year and any unused contributions may be carried over to future years. The County General Fund appropriation (predominately liquor tax distribution) for 2013 is \$1,234,273, an increase of \$154,042, or 14.0%, from 2012. The appropriation for 2014 is \$1,240,531, an increase of \$6,258, or 0.4%, from 2013.
