MACOMB COUNTY BOARD OF COMMISSIONERS

Kathy D. Vosburg District 8 Chair

Marvin E. Sauger District 2 Vice Chair Fred Miller District 9 Sergeant-At-Arms

Toni Moceri – District 1 Phillip A DiMaria- District 3 David Flynn - District 4 Ray Gralewski- District 5

James L. Carabelli - District 6 Don Brown- District 7 Roland Fraschetti- District 10 Kathy Tocco- District 11 Bob Smith- District 12 Joe Sabatini- District 13 Motion made by Commissioner _____, supported by Commissioner _____, to approve the following "ordinance to adopt a comprehensive budget for the special revenue and enterprise funds for the Fiscal Year ending September 30, 2013" based on the following preamble:

Whereas, the County's budget(s) should include sufficient detail to reasonably inform interested persons about how public funds are being spent without being so detailed that it inhibits its administration or is likely to require too many amendments; and

Whereas, this Commission wants to ensure the public is especially informed about larger expenditures and projects; and

Whereas, the Department of Roads' budget is of special focus because, among other reasons:

(i) With over \$94 million in expenditures, it is a large budget;

(ii) The general public is especially interested in roads because they are encountered on a daily basis so that their size, location, features, and condition, as well as project affecting them, directly and very tangibly impact their daily lives;

(iii) The County's road budget was previously administered by a county road commission that met semi-monthly in public meetings thereby providing regular public accountability; and

(iv) The Department of Roads regularly acquires, uses, operates, repairs and replaces costly vehicles and equipment, and regularly engages in outlays for construction projects.

Whereas, this Commission believes the special revenue and enterprise funds budget for the Fiscal Year ending September 30, 2013 as proposed by the Office of the Executive are reasonable in their total amounts, but needs some additional detail to ensure appropriate public accountability; and

Whereas, the Commission has determined to use the budget for public accountability as advocated by the County Executive in briefs and oral arguments filed in the County Executive's lawsuit against the Commission; and

Whereas, the Commission on Thursday, September 27, 2012, adopted Ordinance No. 2012-5 to provide this same budget and appropriations leaving it to the Executive to provide numbers with which the County Executive is comfortable for the financial figures for line items breaking down the personnel expense for the Department of Roads' budget; and

Whereas, the Executive continues to refuse to provide that breakdown and has instead decided to view the adoption of Ordinance No. 2012-5 to be ineffectual in adopting a budget and appropriation while threatening to shut-down part of County government by October 1, 2012; and

1

Whereas, the Commission strongly disagrees with the County Executive's position, but wishes to avoid having the County Executive cause the expenditure of more County funds for legal expenses incurred due to unnecessary lawsuits filed by the County Executive; and

Whereas, the Commission also wishes to prevent the County Executive from fulfilling his ill-conceived threats to shut-down part of County government; and

Whereas, because the County Executive still refuses to provide the requested budgetary breakdown for a line item exceeding \$29 million, the Commission is providing a breakdown of that amount to provide additional public accountability while again inviting the County Executive to provide more exact figures in a proposed budget amendment.

Re: Macomb County Budget for Special Revenue and Enterprise Funds For Fiscal Years Ended September 30, 2013 and 2014

As the County Executive, the Charter requires me to prepare and administer a comprehensive balanced budget in a manner which assures coordination among agencies. Section 8.6.1 of the Charter requires that the budget be transmitted at least 90 days before the next fiscal year begins and specifies the minimum content for the budget document. Since each of the agencies contained in the attached budget have fiscal years beginning on October 1, the budgets were transmitted prior to July 1.

We continue to use the enhanced budget format created last year which has provided greater amounts of information and transparency to decision makers as well as the public. The document begins with a budget discussion and analysis highlighting the activity for each fund followed by a glossary that provides a description of budgeted fund names and line items. The budget summary and detail pages in this document present a two year forecast and a five-year trend comparison for revenues and expenditures.

My office and the Finance Department reviewed the departmental budget requests with an emphasis on determining if services can be provided in a more cost effective and efficient manner. We are pleased with the innovative approach that the Elected Officials and Department Heads continue to display.

As always, should you have any questions, please do not hesitate to contact me.

Sincerely,

Muse S. Ancer

ORDINANCE NO. _____

AN ORDINANCE TO ADOPT A COMPREHENSIVE BUDGET FOR THE SPECIAL REVENUE AND ENTERPRISE FUNDS FOR THE FISCAL YEARS ENDING SEPTEMBER 30, 2013 AND PROJECTED BUDGET FOR SEPTEMBER 30, 2014

FINAL ORDINANCE WAITING FOR FORMAL BOARD APPROVAL.

The budget presented herein is a two year budget for the fiscal years ending September 30, 2013 and September 30, 2014 for certain Special Revenue and Enterprise funds of the County. The majority of the operations of the County are accounted for on a fiscal year that ends December 31. However, the programs included herein represent operations that are funded primarily by State and Federal grants. Therefore, they are accounted for on a fiscal year ending September 30 to coincide with the fiscal year of the primary funding sources. Historically, the budgets for these programs were adopted by the Board of Commissioners in December. The new County Charter requires that the budgets for these programs be adopted prior to October 1.

The County budget continues to be negatively impacted by decreases in property values and increases in fringe benefit costs, primarily health care for employees and retirees. Property values declined 10.2% in 2010, 7.0% in 2011, 6.0% in 2012 and reductions of 2% and 0% are anticipated for 2013 and 2014, respectively. Health care costs are expected to increase 8% each year. Virtually all of the County's labor agreements expire December 31, 2013. Those agreements contain provisions for up to six unpaid furlough days per year per employee and that is assumed to continue into 2014 as well. Longevity payments suspended through December 31, 2012 are scheduled to return in 2013 at significantly reduced levels.

The gross budget for these funds for the fiscal year ending September 30, 2013 is \$364,482,785, representing a 1.0% increase over 2012. The General Fund appropriation to these funds for 2013 is \$23,843,080, a decrease of \$2,349,704 over 2012. The gross budget for the fiscal year ending September 30, 2014 is \$349,776,677, representing a 4.0% decrease over 2013. The General Fund appropriation for 2014 is \$24,435,231, an increase of \$592,151, or 2.0%, over 2013. Department heads and elected officials have reinvented how services are delivered, making Macomb County more efficient. As a result, the General Fund appropriation to the Special Revenue and Enterprise funds has been reduced significantly over the past few years, despite constant increases in fringe benefit costs, as indicated below:

Schedule of General Fund Contributions Fiscal Year Ending September 30

INDIVIDUAL FUND DISCUSSION AND ANALYSIS

<u>Adult Drug Court –</u> The Adult Drug Court provides intensive probation and treatment to low-risk offenders and allows participants to avoid incarceration. There are on average 35-40 participants in the program at any point in time, who otherwise would have been sentenced to jail or prison. Participants in the program have avoided more than 19,000 jail bed days and over 20,000 prison bed days since January 1, 2008. Expenditures for 2013 are \$213,000, a decrease of \$19,310 over fiscal 2012. Expenditures for 2014 are \$218,908, an increase of \$5,908 over fiscal 2013. The General Fund appropriation to the Adult Drug Court Fund for 2013 is \$183,000, a decrease of \$9,310, or 5.0% over 2012. The General Fund appropriation for 2014 is \$188,908, an increase of \$5,908 or 3.0% over 2013. The Adult Drug Court is administered by the Circuit Court and represents approximately 0.9% of the total budget of the Circuit Court.

<u>Child Care Fund -</u> The Child Care Fund is used to account for the costs associated with the detention of individuals under the age of 18 convicted of criminal offenses, treatment programs intended to rehabilitate juvenile offenders and foster care for those under the age of 18. The State of Michigan provides 50% of the funding for the Child Care Fund, net of other grants and reimbursements, and the General Fund provides the other 50%. The gross budget of \$22,421,395 for 2013 represents a 14.0% decrease from fiscal 2012 and the gross budget of \$22,997,388 for 2014 represents a 2.5% increase from 2013. The General Fund appropriation to the Child Care Fund for 2013 is \$12,511,020, a decrease of \$2,038,740, or 14.1%, over 2012. The decrease is driven primarily by the anticipation that six (6) full-time Child Care Attendant positions will be replaced with part-time attendant positions through attrition, as well as a \$600,000 decrease in costs associated with housing wards of the State. In addition, the budget for outside placements has been reduced by \$1,900,000 as a result of the continued efforts of Court staff to place more kids in treatment programs administered at the Juvenile Justice Center as opposed to housing them in private facilities.

<u>Community Corrections</u> — The Community Corrections program provides local, community-based alternatives to incarceration that promote public safety and relieve jail overcrowding while at the same time holding offenders accountable and improving their ability to live lawfully and become productive members of society. The program employs ten (10) full-time positions and approximately 78% of its funding is provided through grants from the State of Michigan. Spending levels requested for 2013 and 2014 are essentially unchanged from previous years. The General Fund appropriation requested for 2013 and 2014 is \$302,294 and \$304,881, respectively.

<u>Community Mental Health</u> — The Community Mental Health Department provides behavioral health support and services to eligible residents of the County who suffer from severe mental illness, developmental disabilities and substance abuse disorders. The activities are accounted for in two funds, the Mental Health Fund and the Substance Abuse Fund, which is presented later in this document. The Mental Health Fund represents approximately 96% of the total budget of the Mental Health Department. Approximately 98% of the funding for the Mental Health Fund is provided by Medicare, Medicaid and the State General Fund. The remaining 2.0% is contributed by the County General Fund and is budgeted at \$3,909,682 in both 2013 and 2014. Active management of the Medicaid eligibility of County residents has allowed the General Fund contribution to remain unchanged from fiscal 2012.

<u>Community Services –</u> The Community Services Agency provides a wide array of services to residents of the County, including, but not limited to, Meals on Wheels, Senior Citizens nutrition, income tax preparation for the elderly, transportation services, home injury control, household weatherization improvements and Head Start. Approximately 95% of the funding for Community Services comes from State and Federal grants. The General Fund appropriation requested for fiscal 2013 is \$887,599, unchanged from 2012. Furthermore, additional grant funding has been awarded to the Headstart and GCP programs. This increase, coupled with the loss of ARRA funds, has resulted in a net decrease of four and one half (4.5) positions for fiscal year 2013. No further budgetary reductions are anticipated in 2014. It is important to note that the County has aggressively pursued new grants and other funding alternatives in recent years that have resulted in a significant reduction in the General Fund appropriation, which was \$1,278,290 as recently as 2008.

Friend of the Court - The mission of the Macomb County Friend of the Court is to fairly and efficiently enforce court orders relating to child support, health care, spousal support, parenting time and custody. The budget for the Friend of the Court represents approximately 36% of the total budget of the 16th Circuit Court in Macomb County. Approximately 64% of the funding for the Friend of the Court is provided through a grant from the Federal government. The Friend of the Court will continue to hold ten (10) positions vacant for fiscal year 2013. The Court intends on keeping nine (9) positions vacant in 2014. Therefore, funding for these positions is not included in the 2013 and 2014 budgets. In addition, the Court has eliminated three (3) full time positions in 2013 due to recent productivity gains from enhanced technology. The General Fund appropriation for 2013 is \$2,810,827, a decrease of \$285,597 from 2012. The appropriation for 2014 is \$3,053,381, an increase of \$242,554 over 2013.

<u>Health Grants</u> — The health grants which operate on a September 30 year-end represent approximately 20% of the total budget of the Health Department. Funding for these programs is provided primarily through State and Federal grants. The General Fund appropriation of \$544,717 and \$549,476 for 2013 and 2014, respectively, represents approximately 13% of the budget for each year. The General Fund appropriation budgeted for 2013 is \$10,151 higher than the amount budgeted in 2012, primarily driven by increases in overhead allocation charges from the Health Fund (Dec 31 year-end), which will be offset by a corresponding reduction in the General Fund appropriation to the Health Fund in 2013 and 2014. Additional grant funding in the CSCHS Outreach program has resulted in the increase of one and one half (1.5) positions for fiscal year 2013. The loss of grant funding in the Warren Housing program, due to the elimination of support from the City of Warren, has resulted in the layoff

<u>Health Grants (continued)</u> of two employees. Major cost savings initiatives are expected to be made in the Health Fund when the budget for the December 31 funds is prepared.

Prosecuting Attorney Grants – The Prosecuting Attorney grant fund is used to account for the costs associated with prosecuting cases involving child support enforcement, domestic violence, auto theft and drug-related offenses. The majority of the operations of the Prosecuting Attorney's Office are accounted for in the General Fund. The programs accounted for in the grant fund represent roughly 15% of the total budget for the Prosecutor's Office. The 2013 and 2014 budgets each provide for the continued funding of 22 positions. The General Fund appropriation to this fund for 2013 is \$808,463, a decrease of \$60,481 over 2012 due to employee concessions on fringe benefit costs, and \$837,852 for 2014, an increase of \$29,389 over 2013.

<u>**Roads**</u> – The Department of Roads is funded exclusively by gasoline taxes, State and Federal grants and reimbursements from local units of government. The budget for 2013 is \$94,271,207, an increase of \$5,177,509, or 5.8%, over 2012. Due to operational efficiencies made in prior years, the Department of Roads has accumulated a healthy level of fund balance over time and plans to utilize \$13.9 million over the course of the next two years on road repairs and equipment replacement. The budget for 2014 is \$71,835,396, which represents a 23.8% decrease from 2013.

<u>Sheriff Grants –</u> This fund is utilized to account for the costs associated with specialized units involved in traffic safety enforcement, auto theft and drug-related crimes. The majority of the operations of the Sheriff's Office are accounted for in the General Fund. The programs accounted for in the grant fund represent roughly 3.5% of the total budget for the Sheriff's Office. Approximately 80% of the funding for these programs is provided by State grants and charges for services. The 2013 and 2014 budgets each provide for the funding of 11 positions, a reduction of one position due to a decrease in federal funding for the COMET grant. The General Fund appropriation to this fund is \$649,920 for 2013, a decrease of \$123,158 over 2012, and \$662,621 for 2014, an increase of \$12,701 over 2013.

<u>Substance Abuse -</u> The Office of Substance Abuse is managed by the Macomb County Department of Community Mental Health and provides substance abuse treatment and education services to residents of the County in both inpatient and outpatient settings and approximately 83% of its funding is provided in the form of Medicare, Medicaid and State General Fund appropriations. The Office of Substance Abuse represents approximately 4% of the total budget of the Mental Health Department. The County General Fund is required to contribute 50% of the liquor tax distributed by the State of Michigan each year and any unused contributions may be carried over to future years. The County General Fund appropriation (predominately liquor tax distribution) for 2013 is \$1,234,273, an increase of \$154,042, or 14.0%, from 2012. The appropriation for 2014 is \$1,240,531, an increase of \$6,258, or 0.4%, from 2013.
