To Whom It May Concern:

I would like to thank you for the opportunity to apply for the Director of Equalization position for Macomb County. With over twenty years of experience in the assessment administration profession working for two local units of government, it would be a very exciting prospect for me to put the skills, knowledge, education, experience and training received during that time to good use in the Equalization Department.

I have been very fortunate to work for larger value-based townships which has given me a sound understanding of the proper practices and procedures to be followed when valuing various classes of real and personal property for taxation purposes. I bring a slightly unique knowledge base to my skillset in that I have been a part of a full 14-point review by the State Tax Commission (STC) during the last few years of my employment with Shelby Township. I didn't look on that experience as a negative one, but rather one from which many valuable lessons could be learned in the appropriate methods of valuing property and the guidelines required by statute in order to do so. I brought what I learned to the Charter Township of Independence, where I am currently employed as the Director of Assessing. Through the hard work and dedication of my talented staff, I am pleased to ensure my Township Board of Trustees that after a three-year transition process, our office is now 100% compliant with STC requirements. This was a huge accomplishment in a short period of time.

Enclosed with this letter, please find a copy of my resume. I've also enclosed a copy of my Curriculum Vitae, which I believe provides a more in-depth insight into the type of professional I strive to be, and the numerous affiliations and activities I have been involved in throughout my career. I am a member of various boards and committees at both state and national levels, I have authored and instructed numerous courses for assessors and appraisers, and I had the honor of being selected as a presenter for an international conference held in San Antonio, Texas. I love my chosen profession and enjoy sharing my enthusiasm for what I do to those around me.

Thank you for your consideration, and I look forward to hearing from you.

Re: Appointment to Macomb County Veterans Commission, Frank
Flores 2436 Nita St. Warren, Mi. 48091

I have known Frank for a number of years a member of the American Legion. He has been a member in good standing for 37 years. Frank is a caring man and has volunteered his time in his post, serving over the years in every position in the post level. If a veteran had an issue or question about VA benefits he would answer the veteran or get an answer.

As you know, the American Legion fights for Veterans Rights and benefits. That is why he is not only active in his post, but very active in his District. He has been Junior Vice Commander, Sergeant at Arms, Committee chairman in Pow/Mia, National Security & Foreign Relations and Blood, Eye and Vitals programs. At the State Department level, he has been Assistant Sergeant at Arms for two years and Pow/Mia chairman for one year. His fellow veterans at the State Convention this past June elected Frank as Department of Michigan, Sergeant at Arms, for the 2014/2015 year.

I do feel that Frank would serve our Veterans with care and thoughtfulness in his duties, therefore I highly recommend Frank Flores to be selected for the opening in the Macomb County Veterans Commission.

Respectfully,

Kenneth L Miller

Dear Commission Members,

I would like to recommend an excellent candidate for a position with the Commission, John Smeekens. John has proved to be an advocate for Veterans concerns and information. He has been the editor of a column called Veterans Briefs for the American Postal Workers Union newsletter.

I have known John since my job of 15 years with the U.S. Postal Service. John has been an active member of Veterans organizations, including the Military Order of the Purple Heart. He is a very dedicated person with honesty and integrity with a main focus on Veterans affairs.

I do not know of a better person suited to perform this position. I would gladly answer any questions the Commission may have concerning John's ability to perform the position.

Very truly yours, MOPH Chapter 1818 Commander, Larry Pretzer

13. Briefly indicate your qualifications for appointment to this specific board and the reason you believe your appointment will benefit Macomb County:

I spent 22 years on active duty with the U.S. Army from 1972 - 1994, retiring as a Lieutenant Colonel. My career highlights include two tours with the 82d Airborne Division; one year on the DMZ in South Korea; 2 1/2 years in West Germany - 19 months on U.S. Army Europe staff in Heidelberg, Germany and one year as a Battalion Operations and Training Officer in Erlangen, Germany; 3 years on the Department of Army Staff at the Pentagon; and am a Desert Shield/Storm veteran. My decorations include the Legion of Merit, the Bronze Star, the Combat Infantryman's Badge, and Master Parachutist Badge. Regarding recent veteran related activities, I was involved in the planning and start-up of the Macomb County Veteran's Treatment Court and currently serve as the Mentor Coordinator for that organization. I am a Life Member of the Detroit Chapter, 82d Airborne Division and the VFW Bruce Post in St. Clair Shores, MI. I believe my appointment will benefit Macomb County because I bring a unique set of experiences, education, and training that will benefit the greater veteran community. Additionally, I spent two years as an enlisted man before I obtained my commission from Officer Candidate School in 1974. I am able to provide the insight that serving as both an enlisted man and officer can bring to the issues that may be presented to the Commission.
