## Pre-Employment Drug Screening Policy

The County of Macomb has a vital interest in maintaining a safe, healthful, and efficient working environment for its employees and to the public it serves. Being under the influence of a drug on the job may pose serious safety and health risks not only to the user but also to all those who work with the user and members of the public. The use of illegal, or legal, drugs in the workplace may also pose unacceptable risks for safe, healthful, and efficient operations.

The County recognizes that its own health and future are dependent upon the physical and psychological health of its employees and members of the public. Accordingly, it is the right and obligation of the county to maintain pre-employment drug screening practices which are designed to prevent hiring individuals in the Sheriff's Office who use illegal drugs, or individuals whose use of legal drugs, indicate a potential for impaired or unsafe job performance.

With these objectives in mind, the Macomb County Civil Service Commission has established the following Pre-Employment Drug Screening Policy:

1. All candidates for positions as new hires in the Sheriff's Office shall be given notice if selected for hire, that he/she will have to submit to a drug screening test as part of the pre-employment physical examination and that he/she will be considered for hire only after they successfully pass the drug screening test(s).
2. The initial drug screening shall be done by analyzing a urine sample using the immunoassay technique or analyzing a hair sample. As part of the drug-screening test, the candidate shall provide information concerning all drugs or medications used within the previous thirty (30) days.
3. The urine or hair samples of candidates shall be obtained during the pre-employment physical examination and shall be sent to an independent drug-testing laboratory.
4. Refusal to submit to the drug screening shall disqualify a candidate from appointment by the Sheriff.
5. Any candidate who fails the drug screening test (immunoassay) shall be disqualified and notified by letter.
6. The Commission, Sheriff, and their staff, and all medical personnel shall keep the results of said drug screening confidential. The results of said drug screening might be released to the candidates upon submission of a formal request for it. The Commission may release the results of the testing if required by court order if the candidate should contest the results of the drug screening.
