NOTES-The law requires the aggregate number of Votes and the number given for and against the question to be WRITTEN OUT IN FULL. For convenience in canvassing, also extend the number in figures in the column prepared for that purpose.

It is very important that the statement of votes be accurately made, as there is not time to correspond with regard to mistakes before the expiration of the time allowed by law for making the official canvass.

A certified and authenticated copy of the foregoing statement must be sent by REGISTERED MAIL to the Secretary of State without delay.
