## BONDING PROPOSAL

Shall Chippewa Valley Schools, Macomb County, Michigan, borrow the sum of not to exceed Eighty-Nine Million Seven Hundred Sixty-Five Thousand Dollars (\$89,765,000) and issue its general obligation unlimited tax bonds therefore, for the purpose of:

partially remodeling, refurnishing and re-equipping and erecting, furnishing and equipping additions to school district buildings; acquiring and installing educational technology system improvements; acquiring school buses; and developing and improving sites, athletic fields and facilities, playfields and playgrounds?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2010, under current law, is 0 mills (\$0.00 on each \$1,000 of taxable valuation). The maximum number of years the bonds may be outstanding, exclusive of any refunding, is twenty-five (25) years, one (1) month. The estimated simple average annual millage anticipated to be required to retire this bond debt is 1.39 mills (\$1.39 on each \$1,000 of taxable valuation).

If the school district borrows from the State to pay debt service on the bonds, the school district may be required to continue to levy mills beyond the term of the bonds to repay the State.

(Pursuant to State law, expenditure of bond proceeds must be audited, and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)
