WHEREAS, the County of Macomb (“the County”) is designated by law as a member of the Suburban Mobility Authority for Regional Transportation (“SMART”) established pursuant to Act 204, Public Acts of Michigan, 1967, as amended (“the Act”); and

WHEREAS, SMART is authorized by the Act to finance transportation facilities by grants or contributions from governmental units and other public sources; and

WHEREAS, the Act specifically authorizes all counties to assist, cooperate with, and contribute services, money or property in aid of SMART and its purposes and

WHEREAS, Act 156, Public Acts of Michigan, 1851, as amended authorizes the County Board of Commissioners to raise by tax upon the County those funds authorized by law and to direct and provide for the raising of money which is necessary to defray the current expenses and charges of the County and the necessary charges incident to or arising from the execution of the Board's lawful authority; and

WHEREAS, the electorate of the County approved at a special election in 1995, a millage for public transportation purposes for levy in 1995, 1996 and 1997, and the revenue from this millage were contributed to SMART for its 1995-96, 1996-97 and 1997-98 fiscal years; and

WHEREAS, The electorate of the County again approved at the August 1998 election a millage for public transportation purposes for levy in 1998, 1999, 2000 and 2001 and the revenue from the millage contributed to SMART for its 1998-99, 1999-00, 2000-01 and 2001-02 fiscal years; and

WHEREAS, in order to maintain public transportation services within the County, action is required to seek voter approval to obtain funding for public transportation services within the County and to enter into an agreement with SMART relative to the administration of public transportation services within the region and the guarantees of service to the County; and

WHEREAS, the County desires to seek the authorization of its electorate to increase the total tax rate limitation, as provided for by Section 6 of Article 9 of the State Constitution of 1963, for the purpose of continuing contributions in aid of SMART and its purposes.

NOW, THEREFORE BE IT RESOLVED:

1. That the County Board of Commissioners hereby calls an election of the qualified electors of the County of Macomb for August 6, 2002 for the proposition of an increase in the limitation on the amount of taxes which may be imposed on taxable property in the County of Macomb by .27 mills for a total of 0.6 mills for the years 2002, 2003, 2004, and 2005 inclusive, for the purpose of continuing contributions in aid of SMART and its purposes for the elderly, handicapped and general public of the County of Macomb; and
2. That the proposition to be submitted at the election shall be stated on a separate ballot or as a separate proposition on the voting machine, in substantially the following form:

MACOMB COUNTY PUBLIC TRANSPORTATION MILLAGE

If approved, this proposal will authorize the levy of 0.6 mills levied by Macomb County in 2002 and allow continued support in aid of the Suburban Mobility Authority for Regional Transportation (SMART) and its purposes of serving the elderly, handicapped and general Public of Macomb County.

Shall the tax imposed on taxable property in Macomb County which was levied at .33 mills and expired with the 2001 tax be increased to 0.6 mills (60 cents per \$1,000 taxable value) for four (4) years, 2002, 2003, 2004 and 2005, inclusive for the purpose of making contributions in aid of the Suburban Mobility Authority for Regional Transportation ("SMART") and its purpose of serving the

elderly, handicapped, and general public in Macomb County? It is estimated that 0.6 mills would raise approximately \$14 million dollars when levied in 2002.

3. That the Chairperson of the Board of Commissioners is hereby authorized and directed to enter into an agreement with SMART in a form approved by the County Corporation Counsel providing for the reimbursement of the reasonable incremental costs of the election called for by this Resolution which are in excess of the cost of any election being held concurrently, whether or not the proposition is approved by the voters, and for the contribution of revenues received due to the levy of the proposed 0.6 mills, and
