SUBJECT: Military Service Credit

In answer to your inquiry, your cost to purchase 56 months of military service time in the Macomb County Employees Retirement System under State Law MCLA 46.12a(14) would be \$ 13,474.16 until December 31, 2012.

If you purchase the above-noted military time and your bargaining unit has not reached a wage settlement with the County for the current year, you will also be billed for an amount equal to five percent of the wage settlement for each year of military time that you purchase. This stipulation also applies to retroactive wage settlements received after retirement.

You are also advised that in the event your bargaining unit has the annuity withdrawal privilege on retirement, the purchase amount of the above time will not qualify. Annuity withdrawal is available only for those sums contributed pursuant to the normal Macomb County Employees Retirement System payroll deductions.

Please note that the Board of Commissioners must approve the purchase by an affirmative vote of not less than three-fifths of its members.

If you wish to request permission to purchase the above noted military service time, please indicate this on this letter and return it to this office. Your request will then be forwarded to the next Full Board meeting for approval. The Board of Commissioners will notify you if approval has been granted, at which point you should contact Cindy Mitchell at (586) 469-6928 for payment arrangement.
