RE: Macomb County Ethics Board

Dear Ms. Lavers,

Recently, I learned of the possibility of an opening on the Macomb County Ethics Board. Please accept this cover letter, application and my Résumé for consideration for this position.

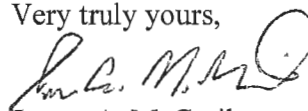

I was born and raised in Macomb County. Upon graduating law school, I began working at a top rated law firm within the litigation department, where I performed complex commercial litigation. Since 2003, I have specialized in governmental representation. In the past, I have represented Harrison Township while I currently represent the City of Utica. In that capacity, I provide legal counsel to the elected and appointed city officials in every possible legal scenario, including ethics. My experience has routinely proven my ability to take ownership in everything I do, while at the same time being a valuable team player for a common objective.

It's an exciting time in Macomb County and I would love to assist in making Macomb County all that it can be. Being born and raised in Macomb County, and raising my two sons here, I feel I understand Macomb County and the issues it faces. Macomb County is a great place to live, work, and raise a family and I would be honored to assist in using my efforts for the benefit of Macomb County.

I have always prided myself in earning the respect of colleagues and maintaining my integrity throughout my career. This can be attested to by any number of public officials, attorneys and judges with whom I have worked. If you desire, I can supply letters of recommendations from several individuals at a later date.

I believe that I would be a perfect fit for the Macomb County Ethics Board and I would welcome the opportunity to discuss my qualifications in more detail. If you or anyone else has any questions, please contact me. The best way to reach me is by cell phone at (586) 764-4698.

Very truly yours,

James A. McGrail

13. Briefly indicate your qualifications for appointment to this specific board and the reason you believe your appointment will benefit Macomb County:

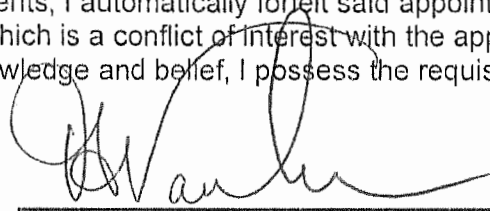

As the Executive Director of a nonprofit agency, it is incumbent upon me to carefully consider my actions and those of my staff as a reflection on our agency. It is very important for our agency to gain and maintain the trust of the community, our clients, partners, board members and donors. It is critical that we appear always professional and acknowledge and address potential conflicts of interest.

My previous employment with the Michigan House of Representatives also gave me valuable insight into the importance of maintaining transparency and high ethical standards and avoiding any appearance of impropriety. Public trust in elected officials is paramount to a healthy community, and I feel very strongly that when a person is elected and takes an oath of office to serve, that they have committed themselves to serving with integrity. I feel honored to have worked with (and continue to work with, in my current position) many fine and upstanding elected officials, and I am disappointed and discouraged when an office holder and holder of the public trust chooses to betray that trust. Those instances cloud the opinions of voters, taint the reputations of the many honest and hardworking public servants we have and feed the distrust that is so rampant in our community and our country.

14. Statement of Application to Board/Commission

I hereby apply for appointment and do swear or affirm that, (1) if appointed, I will comply with all statutory and other requirements and obligations of my appointment; (2) if I cease to comply with such requirements, I automatically forfeit said appointed position; (3) I hold no position or appointment which is a conflict of interest with the appointment position applied for; and (4) to the best of my knowledge and belief, I possess the requisite qualifications for the office I am seeking;

13. Briefly indicate your qualifications for appointment to this specific board and the reason you believe your appointment will benefit Macomb County:

As a former commercial lender, budget analysis and financial best practices within business lines and industries are skills honed in the private sector over nearly two decades. As a local attorney and real estate professional, I have a great interest in the health, welfare and safety of our county residents.

As a volunteer and entrepreneur, I have been instrumental in organizing groups, building consensus and succeeding at beginning and completing tasks. As a former Township-Supervisor-appointed firefighter's pension fund trustee, I have past multi-year experience in a municipal board seat financial and fiduciary role.

Lastly, with the Board of Commissioners needing to appoint:
 "...a county resident directly served by substance abuse treatment/rehabilitation, prevention program or otherwise in recovery from such a disorder; residents of the Macomb County community..., seeking to advocate for prevention, recovery and treatment services..."

I fit as a member of the class which shall be appointed, as I am a past participant in the Lawyer's & Judges Assistance Program under the State Bar Association from previous behavior abusing alcohol. No formal disciplinary action was taken, but I voluntarily entered into a recovery role in 2007 with the assistance of a therapist, regular Lawyer & Judges AA meetings and, for a time in 2008 and 2009, random alcohol & drug testing. I remain clean and sober and still often attend Lawyer's & Judges Assistance and occasionally other AA meetings.

I worked as a professional in the alcohol and drug abuse field for 39 years. Most of that time was spent in leadership roles in substance use disorder prevention. More than 25 years were spent as the Prevention Coordinator for the Macomb County Office of Substance Abuse. During my career, I served as the Chairperson of the Michigan Prevention Association, the Prevention Committee of the Michigan Certification Board for Prevention Professionals, the Prevention Work Group for the Michigan Association of Substance Abuse Coordinating Agencies, the FACE alcohol policy organization and many other projects and sub-committees. Much of the work in these organizations was focused on policy issues. I was pleased to provide the staffing for the MOP-UP association of health and law enforcement professionals who promoted and helped gain passage of state law to control and monitor prescription drug diversion and abuse. I was also pleased to receive awards and recognition for my prevention work from the Drug Enforcement Agency, the Michigan Association of Substance Abuse Coordinating Agencies, and the Michigan Prevention Association. I believe that my history and experiences will allow me to bring an informed and broad perspective to the issues being considered by the new Substance Use Disorder Oversight Policy Board.

13. Briefly indicate your qualifications for appointment to this specific board and the reason you believe your appointment will benefit Macomb County:

I have former and current interests in addiction diagnosis and treatment and long term management of substance abuse. Below are noted some of the professional experiences I have been associated and may qualify me for further consideration.
I have provided inpatient and outpatient treatment since a medical student and practicing physician. Past related activities I participated in include patients in recovery in an in-patient setting beginning in 1978 through 1983 at Harrison Community Hospital. I have been a member of the American Society of Addiction Medicine (2004); and a completed application and successful membership with the American Board of Addiction Medicine, upon its inception in the year of 2008. I was affiliated with Harbor Oaks Hospital and managed pain control issues for the psychiatric unit, 2005 and 2006. I was an alternate and on call physician for the Macomb County Jail, 2008-2011. I was medical officer for the Macomb County Juvenile Justice Center, 2008-2012. I now spend most of my professional time actively counseling a population of opioid addicts.
I feel given my level of interest and breadth of exposure I would hope to contribute to the experience of the board and continue the effort to establish a healthier and more responsible Macomb County.

Board Members and Colleagues,

It is with great pleasure that I apply for appointment to the newly created Substance Use Disorder Oversight Policy Board. As a lifelong resident of Macomb County, Physician, and Co-Director of the Traffic Safety Association of Macomb County / Alcohol Highway Safety Program, I was very pleased to learn of the creation of this board. My interest in substance abuse education, prevention, and treatment is long standing and deep rooted in our community. I have over a decade of experience working for Traffic Safety Association of Macomb County, an non-profit agency that has been serving our county since 1965. In my various roles at TSA, I have developed and taught numerous programs and curriculums related to substance abuse education and prevention, ranging from teen smoking cessation, adult and youth alcohol and drug abuse classes, as well as courses for repeat drunk driving offenders. With my recent appointment as co-director, I have been working to develop new programs to meet the ever changing needs of our community so as to continue our mission to fight the epidemic of drug abuse that has plagued our county.

In addition to my long time involvement with TSA, I am also a Physician with the Wayne State University Physician Group. My experiences during my Internal Medicine residency at Wayne State have given me extensive exposure to the substance abuse population. It is through these combined experiences that I have developed a passion for education based prevention as a means to help cease the development of problems before they start

As a member of your board I would offer a unique perspective on substance abuse and extensive experience both as an educator and a health care provider.

I regret that I am unable to attend the interview on September 8th, as I will be out of town, however I encourage you to call me via cell phone at 586-623-9584 for a phone interview. I would also be happy to arrange for a Skype interview.

Best Regards,

Robert W. Kirchoff, M.D.

The applicant waives his/her right to view the content of the letter under the Family Educational Rights and Privacy Act (FERPA).

Dear Program Director,

It is an honor to write a letter of recommendation on behalf of Dr. Robert Kirchoff. I became acquainted with Dr. Kirchoff while he worked as an intern on my chief resident general surgery service. We worked closely together for seven weeks at the beginning of the academic year (July 2012). Additionally, we have continued to interact on a professional basis intermittently since that time. My comments regarding Dr. Kirchoff are based on those interactions that we have had since the beginning of the academic year.

For many interns, Mayo Clinic can be a very intimidating place. It takes an outgoing and confident person to succeed and thrive at this institution. From the beginning, I was impressed that Dr. Kirchoff never attempted to shirk any assignment by saying "I do not know how to do that". Instead, I found it refreshing that his response was always along the lines of "I will figure it out".

In the era of work hour restrictions, efficiency is imperative. I was always impressed that Dr. Kirchoff always finished all of his work and never violated any duty hours. I found that he was effectively able to prioritize his work and judge what could wait until tomorrow and what had to be done immediately. Discharges were done timely, and patient care was superb.

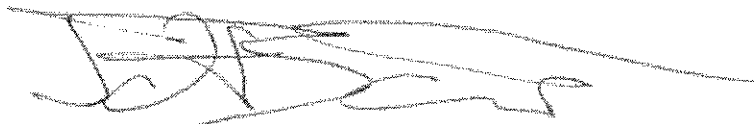

I had the opportunity to observe Dr. Kirchoff interacting with numerous patients while we worked together. I know that patients found him to be personable and empathetic. I observed him to develop a close relationship with several of our long-term patients. He definitely cares for and knows how to take care of patients who are sick.

Finally, a trait that I found refreshing in Dr. Kirchoff is his ability to build on and constructively accept criticism. Not being far removed from my own intern year, I know that it can be difficult to hear criticism from all angles. I never saw Dr. Kirchoff get down on himself, become angry, lash out, or criticize others for giving him feedback. He always had an upbeat attitude and built upon the feedback he was offered.

To summarize, I highly recommend Dr. Kirchoff for a position in your Residency Program. I know that he will excel wherever he is accepted. I know that I will be recommending him highly to our program director.

Do not hesitate to contact me to discuss his application.

Sincerely,

13. Briefly indicate your qualifications for appointment to this specific board and the reason you believe your appointment will benefit Macomb County:

I am a twelve year resident of Macomb County. During this time, my family has been impacted by the terrible stigma of drug addiction. As my family and I worked to find recovery opportunities and programs for our son, we realized that much work needs to be done. Programs are difficult to find and costly. Often it is necessary to leave Macomb to seek recovery.

I believe participation in this newly formed commission can have a direct, positive impact on the life of both the addict and their families in Macomb County.

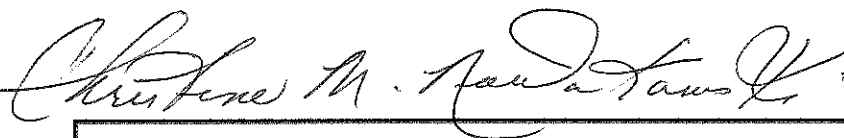

As a former educator I am able to utilize my skills in communicating plans and programs to the community in an outreach format.

I look forward to this opportunity to make a positive impact on the Substance Use disorder Oversight Policy Board.

I've dealt with the legal system .community of mental health. and rehab facilities all over the state. I have some really good ideas to try to implement into the system. This would be the perfect start to help educate the community , local officials,(jails), about the connection between mental heath and substance abuse. Macomb County CMH Board
22550 Hall Rd.
Clinton Township, MI 48036

Dear Board Members:

Via Facsimile 586-469-5568

Attached is my application for consideration by the Board for a volunteer position on the Substance Use Disorder Oversight Policy Board.

While I have no specific qualifications for the position, I do believe that my interest and enthusiasm to be an advocate for prevention, recovery and treatment services for substance abuse would compensate for the lack of any specific qualification, which I hope I would be able to learn. I currently have two nephews in substance abuse programs and truly understand the need.

Thank you for your consideration, and I hope to hear from you.

Sincerely,

A handwritten signature in cursive script, reading "Barbara J. VanJaarsveld". The signature is written in black ink and extends across the width of the text block below it.
